PROFESSIONAL SUMMARY

Architectural Designer with 3+ years of experience supporting commercial, mixed-use, and institutional projects from schematic design through construction documentation. Skilled in producing permit-ready drawing sets, coordinating with consultants, and translating design concepts into buildable solutions. Experienced in building code analysis, zoning research, and resolving design coordination conflicts across project disciplines.

WORK HISTORY

Design Professional | Osterlund Architects - Raleigh, NC 09/2024 - 01/2025

- Developed Revit models and produced construction document sheets including plans, elevations, and wall sections.
- Performed zoning and building code analysis to support permit submissions.
- Assisted in detailing exterior envelope systems and material assemblies.

Project Manager | Linton Architects - Durham, NC 02/2024 - 07/2024

- Collaborated with senior management to develop, review and finalize design concepts.
- Refined conceptual designs into detailed plans by adding floor plans, elevations and section drawings.
- Created detailed plans for construction projects within equipment specifications and budgeting.

Teaching Assistant | North Carolina State University - Raleigh, NC 08/2023 - 12/2023

- Document coordination, ensuring a well-organized and positive learning environment.
- Actively supported classroom activities, provided individualized tutoring, and reviewed student work to enhance understanding and performance.

Junior Designer | Interior Architects - Raleigh, NC 03/2023 - 08/2023

- Developed and maintained comprehensive library of design assets for easy access and reuse.
- Researched new design technology and tools to bolster professional skill set and drive quality deliverables.

INTERNSHIP HISTORY

Intern Architect | STITCH Design Shop - Winston-Salem, NC Summer 2022

- Drafted mockups and submitted them for review.
- Refined conceptual designs into detailed plans by adding floor plans, elevations and section drawings.

Intern Architect | Hobgood Architects - Raleigh, NC 05/2019 - 08/2021

- Drafted mockups and submitted them for review.
- Researched zoning laws and building codes.
- Built study models to evaluate constructability.
- Assessed building site suitability based on topography and zoning.
